Always Look On The Bright Side Of Life

Some things in life are bad - they can really make you
mad

Other things just make you swear and curse
When you're chewing on life's gristle
Don't grumble, give a whistle
And this will help things turn out for the best

Always look on the bright side of life

(Pfeifen)

Always look on the light side of life

(Pfeifen)

If life seems jolly rotten

There's something you've forgotten

And that's to laugh and smile and dance and sing

When you're feeling in the dumps

Don't be silly chumps

Just purse your lips and whistle, that's the thing

And always look on the bright side of life

(Pfeifen)

Always look on the right side of life

(Pfeifen)

For life is quite absurd - And death's the final word

You must always face the curtain with a bow

Forget about your sin - give the audience a grin

Enjoy it, it's your last chance anyhow

So always look on the bright side of death

(Pfeifen)

just before you draw your terminal breath

(Pfeifen)

Life's a piece of shit when you look at it

Life's a laugh and death's a joke, it's true

You'll see it's all a show keep 'em laughin' as you go

Just remember that the last laugh is on you

And always look on the bright side of life

(Pfeifen)

Always look on the light side of life

(Pfeifen)

Always look on the bright side of life *(Ab hier höher)*
