Liedtext - Allgemein (I)

Heal the World (I)

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel that
There's no hurt or sorrow
There are ways to get there
If you care enough for the living
Make a little space
Make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me

If you want to know why
There's no love that cannot lie
Love is strong
It only cares of joyful giving
If we try we shall see
In this bliss we cannot feel
Fear of dread
We stop existing and start living
Then it feels that always
Love's enough for us growing
make a better world
Make a better world

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me

Liedtext - Allgemein (II)

Heal the World (II)

And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be god's glow

We could fly so high
Let our spirits never die
In my heart I feel that you are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn their swords into plowshares
We could really get there
If you care enough for the living
Make a little space
To make a better place

2 x

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me

1 x

There are people dying
If you care enough for the living
Make a better place for you and for me

You and for me (*wiederholen bis Ende*)

(Christine - Einwurf)

Heal the world we're livin' in, save it for our Children
