## **Liedtext - Alt (Konzert-Version)**

### **Millennium**

Huuuuuuu huhuhuhuhu huuuhuu

**We've got stars directing our fate  
And we're praying it's not too late  
Millennium**

**Some say that we are players  
Some say that we are pawns  
But we've been makin' money  
Since the day that we were born  
Got to slow down (slow down)  
Cause we're low down (low down)**

**Run around in circles  
Live a life of solitude  
Till we find ourselves a partner  
Someone to relate to  
Then we'll slow down (Slow down)  
'Fore we fall down**

**We've got stars directing our fate  
And we're praying it's not too late  
Cause we know we're falling from grace  
Millennium**

**Live for liposuction  
And detox for your rent  
Overdose for Christmas  
And give it up for Lent**

**My friends are all so cynical  
Refuse to keep the faith  
We all enjoy the madness**

Cause we know we're gonna fade away

**We've got stars directing our fate  
And we're praying it's not too late  
Cause we know we're falling from grace  
Millennium**

Come and have a go if you think you are hard enough  
Come and have a go if you think you are hard enough  
**Millennium, Millennium**

**We've got stars directing our fate  
And we're praying it's not too late  
Cause we know we're falling from grace  
Millennium**

And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes  
And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my ey-ey-eyes

**We've got stars directing our fate  
And we're praying it's not too late  
Cause we know we're falling from grace  
Millennium, Millennium**
