Earth Song

What about sunrise - What about rain

What about all the things that you said we were to gain

What about killing fields - Is there a time

What about all the things that you said was yours and mine

Did you ever stop to notice - All the blood we've shed before

Did you ever stop to notice - This crying Earth, these weeping shores

Aah, Uuh - Aah, Uuh

What have we done to the world - Look what we've done

What about all the peace - That you pledge your only son

What about flowering fields - Is there a time

What about all the dreams - That you said was yours and mine

Did you ever stop to notice - All the children dead from war

Did you ever stop to notice - This crying earth, these weeping shores

Aah, Uhh - Aah, Uuh

I used to dream - I used to glance beyond the stars

Now I don't know where we are - Although I know we've drifted far

Aah, Uuh - Aah, Uuh

Transponieren **Aah, Uuh - Aah, Uuh**

What about yesterday? **(What about us?)**

What about the seas? **(What about us?)**

The heavens are falling down **(What about us?)**

I can't even breathe **(What about us?)**

What about apathy? **(What about us?)**

I am needing you **(What about us?)**

What about nature's worth? **(Uuh)**

It's our planet's womb

What about us?

What about animals? (about it?)

We turned kingdoms to dust (What about us?)

What about elephants? (What about us?)

Have we lost their trust (What about us?)

What about crying whales? (What about us?)

We're ravaging seas (What about us?)

What about forest trails? (Uuh)

Burnt despite our pleas

What about us?

What about the holy land? **(about it?)**

Torn apart by creed **(What about us?)**

What about the common man? **(What about us?)**

Can't we set him free **(What about us?)**

What about children dying? **(What about us?)**

Can't you hear them cry? **(What about us?)**

Where did we go wrong? **(Uuh)**
