Material Girl

Some boys kiss me, some boys hug me, I think they're ok
If they don't give me proper credit, I just walk away
They can beg and they can plead, but they can't see the light (that's right)
'Cause the boy with the cold hard cash, Is always Mister Right

'Cause we are living in a material world, and I am a material girl
You know that we are living in a material world, and I am a material girl

Some boys romance, Some boys slow dance, That's all right with me
If they can't raise my interest then I have to let 'em be
Some boys try and some boys lie but I don't let them play (no way)
Only boys who save their pennies, Make my rainy day

'Cause we are living in a material world and I am a material girl
You know that we are living in a material world and I am a material girl

Living in a material world and I am a material girl
You know that we are living in a material world and I am a material girl

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

Boys may come and boys may go and that's all right you see
Experience has made me rich and now they're after me

'Cause we are living in a material world and I am a material girl
You know that we are living in a material world and I am a material girl

Living in a material world and I am a material girl
You know that we are living in a material world and I am a material girl
